From the author of the novel, *The Clasp*, hailed by Michael Chabon, Heidi Julavits, and J. Courtney Sullivan. Wry, hilarious, and profoundly genuine, this debut collection of literary essays from Sloane Crosley is a celebration of fallibility and haplessness in all their glory.

From despoiling an exhibit at the Natural History Museum to provoking the ire of her first boss to siccing the cops on her mysterious neighbor, Crosley can do no right despite the best of intentions -- or perhaps because of them. Together, these essays create a startlingly funny and revealing portrait of a complex and utterly recognizable character who aims for the stars but hits the ceiling, and the inimitable city that has helped shape who she is. *I Was Told There'd Be Cake* introduces a strikingly original voice, chronicling the struggles and unexpected beauty of modern urban life.

Thanks for viewing book of I Was Told There'd Be Cake on levitra-discount20mg. This posting just for preview of I Was Told There'd Be Cake book pdf. You should remove this file after viewing and find the original copy of I Was Told There'd Be Cake pdf book.
