Lou is determined to get the most out of the experience and throws herself into her job and New York life within this privileged world.

Before she knows what's happening, Lou is mixing in New York high society, where she meets Joshua Ryan, a man who brings with him a whisper of her past. In Still Me, as Lou tries to keep the two sides of her world together, she finds herself carrying secrets--not all her own--that cause a catastrophic change in her circumstances.
